

Circle of Light

A celebration of our Spirit Centers and the Summer Solstice

Presenting: Julia Weaver, LMFT • Art & Soul of Marin County, CA
Hosted by: Lisa Winston • PathFinder Workshops • Boulder CO

This workshop invites you to experience and express the “Circle of Light” inherent in all life. You will receive and allow your own unique luminous mandala vision to manifest, and your heart’s beauty will be reflected back to you on paper and through the “living mandala” of our human circle, the group. Movement, ritual, writing, singing, and other sound practices along with walking the labyrinth will be the vehicles for embodying our personal and collective exploration of de-Light.
